

PAC 2017

Dear Missouri Rent-to-Own Dealers, Employees and Vendors:

We have done a great job with our Pac Fund. Through Pac contributions and fund raisers we are making friends and educating politicians on what we do and the great service we provide, but our work is never done.

There are always new politicians and others who do not understand what we do and how it works. We must remain vigilant. We need to re-build our Pac Fund account so we can continue to make friends in Jefferson City. Remember the more friends we make the safer we are.

We are asking for your support again:

Contributions go to help candidates and members of the state Legislature the Senate, and Associations who are friendly to us, or who can help our industry.

You may send personal or corporate checks. It is important to remember that PAC contributions are NOT tax deductible, but may be the best investment you can make in your company's future.

Sincerely,

Daniel L Cole
